Welcome to the implementation of the singly linked list !
Please select an operation to perform from the below list
1. Create a List
2. Insert a node
3. Delete a node
4. Print the existing list
5. Exit
Enter your choice: 1
Enter the number of nodes: 4
Enter the data: 8
9
6
7
Please select an operation to perform from the below list
1. Create a List
2. Insert a node
3. Delete a node
4. Print the existing list
5. Exit
Enter your choice: 4
[8 9 6 7]
Please select an operation to perform from the below list
1. Create a List
2. Insert a node
3. Delete a node
4. Print the existing list
5. Exit
Enter your choice: 3
Select a position from where you to want to delete the element
1. Beginning of the List
2. At the end of the list
3. Somewhere in between
4. Exit the delete operation
Enter your choice: 2

```
 4. Exit the delete operation
Enter your choice: 2
Select a position from where you to want to delete the element
 1. Beginning of the List
 2. At the end of the list
 3. Somewhere in between
 4. Exit the delete operation
Enter your choice: 4
